

AURICULAR ACUPUNCTURE with Barney

Appointments available every other
Tuesday between 10.00am and 12.00pm

Auricular acupuncture focuses on
the ears and can be used to treat:

- Stress
- Anxiety
- Low mood
- Pain
- Low energy

You can remain fully
dressed during
treatment. Barney is
qualified and fully
insured.

Available at our
Wellspring Site,
through the
Complementary
Health Clinic,
offering reduced-
cost therapies to
local residents.

A close-up photograph of a person's ear with several thin, gold-colored acupuncture needles inserted into the ear canal and surrounding tissue. The ear is framed by a thick, hand-painted blue and green border.

Book by calling
reception on
0117 304 1400 or
